Dear Mr. Westray,

I have enclosed a CD containing PDF files for the maps showing the proposed route of the transmission line in Barren County for Case #2005-00207. Exhibit 14 is a list of all property owners and ties them to the parcel numbers (EKPC map no.) and exhibits. Scotty's Contracting & Stone's property is parcel number 30 on Exhibit 10-2.

If you have any difficulty in accessing these files, please contact me by phone (502-564-3940) or e-mail rarowles@ky.gov.

Please abide by the following use constraints: *"The user should understand that since September 11, 2001, location data of critical utility structures is considered sensitive information for security reasons. Users shall not publish this map or any part of it on the World Wide Web. Users shall not redistribute this map to others, but shall refer requests by others for such information to the Kentucky Public Service Commission."*
